

Privacy Policy

What we collect:

We may collect the following information:

Name and contact details

We may collect personal information directly from you, such as your name, email address, contact details, or other identifiers, when you register an account, make a purchase, or interact with certain features of the application. Your personal information is used to provide you with access to the application's features and functionalities, personalize your experience, and communicate with you about your account or transactions.

We implement industry-standard security measures to protect your personal information from unauthorized access, alteration, disclosure, or destruction. You have the right to control and manage your personal information within the application. You can update your account details, manage your communication preferences, or exercise your rights under applicable data protection laws.

You can also choose to delete your account or request the deletion of certain personal information by contacting us through the provided channels, or by using the option available in the app's settings page.

Collection/Use of Image Data:

When you grant permission, our application may access your device's camera or photo gallery to enable features that involve capturing or uploading images. The images you upload or capture within our application may be used for document verification purposes in Video KYC by the application.

We do not share your image data with third parties unless required by law or necessary to provide the services you have requested.

Use of Location Data:

We may access your location to verify your identity and to grant access to the application's features and functionalities.

Security :

We are committed to ensuring that your information is secure. In order to prevent unauthorized access or disclosure, we have put in place suitable physical, electronic, and managerial procedures to safeguard and secure the information we collect online.
